

ERRATA

Correct citation in the abstract and in the thesis frame, under the heading "Original papers" should be:

- II. Sparud Lundin, C. Danielson, E & Öhrn, I (2007). Handling the transition of adolescents with diabetes: participant observations and interviews with care providers in paediatric and adult diabetes outpatient clinics. *International Journal of Integrated Care* [serial online] Feb 15; 7. Available at: <http://www.ijic.org/>.

Page 14. The last line under specific aim for paper IV: The word "living" is missing in the sentence: ..adults (living) with type 1 diabetes during transition to adult life and care.

Page 23. Under the paragraph about *Internet communication*, line 2-3: social construction should be social interaction.

Page 40. Third line from the end: ...contextual depending on the way... should be contextual dependent in the way....

Paper IV

Figure 1 is not correct in the thesis. It should be as follows:

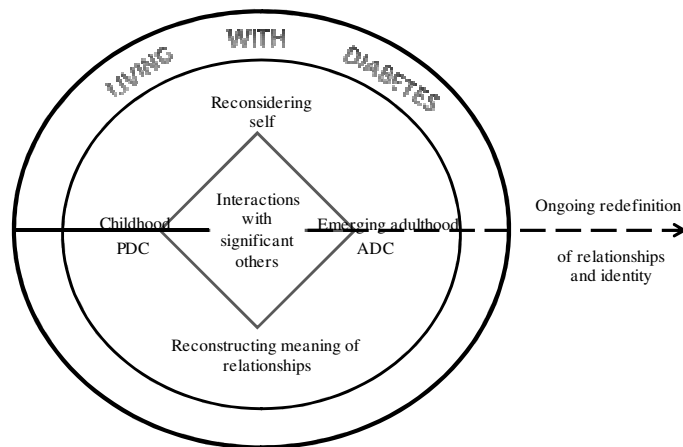

Figure 1. Model of how the interplay between self and significant others entails a redefinition of relationships and identity during emerging adulthood.
