1 Introduction	
2 Coercive Institutions and Female Empowerment: Legacies of a Colonial Experiment on Java	
Introduction	1
Historical background	5
Conceptual framework	11
Data	16
Empirical analysis	20
Concluding Remarks	40
References	41
Appendix	44
3 Do consumers choose to stay ignorant? The role of information in the purchase of ethically certified products	
Introduction	1
Background	2
Part 1 of the Experiment	8
Part 2 of the Experiment	17
Conclusion	23
References	24
Appendix	26
4 Environmental investment decisions: experimental evidence of team versus individual decision making	
Introduction	1
Survey Design and Experimental Manipulations	3
Results	13
Conclusion	21
References	23
Appendix	25

5 Strategic ignorance in repeated prisoners' dilemma experiments and its effects on the dynamics of voluntary cooperation

Introduction	1
Experimental Design	3
Hypotheses	7
Procedures	9
Results	10
Concluding remarks	21
References	22
Appendix	24
