Ev-er since I was a lit - tle boy I've

al - ways longed for more. To chase down ev-ery rain - bow, to tra - vel and ex -

plore. I was told I could do an - y- thing, but lit - tle did I know. That

dreams like these get har - der when you grow.

Grow - ing up I star - ted see - ing lim - i - tat - ions all a -

round. And far too man - y past am - bi - tions in the lost and found. I have

friends who played it safe and went and got some grand deg - ree. And they just ask, whats

to be - come of me? Ev - en - though I've tried to tell them I don't

think they un - der - stand. 'Cause for them, to have a fu - ture you have to have a

plan. But I'd ra - ther choose a path to the un - known and just see where I

 land. I wa-nna r - i - de. Wa-nna r - i -

 de. Wa-nna feel the breeze with free-dom at my side. I wa-nna

 r - i - de. Wa-nna r - i - de. I don't know where, but

 chance will be my guide. Yet still they try to tell me such a

 life can not be led. It seems like they don't want to lis - ten

 to the things I've said. I'm tired of all these ex - pec - ta-tions fil - ling up my

 head. Jus let me be me in - stead. All I

 want is to be ab - le to roam free with - out re - straints. Go where the road will

 take me. No lim - its. No complaints. It's a puz - zle trying to fi - gure out this

 life we hold so dear. So my goal is to LIVE this life, my way while I'm still

 here. I wa-nna r - i - de. Wa-nna r - i -

de. Wa-nna feel the breeze with free-dom at my side. I wa-nna

r - i - de. Wa-nna r - i - de. I don't know where, but

122 G G

chance will be my guide. I'm go-nna r - i - de. Go-nna

127 A/G C/G G

r - i - de. Go-nna feel the breeze with free-dom at my side.

132 G A/G

I'm go-nna r - i - de. Go-nna r - i - de. This

road will take me to the op - en wide.\_\_\_\_\_
