

Appetite-regulating peptides and natural rewards:

emphasis on ghrelin and glucagon-like
peptide-1

Jesper Vestlund

**SAHLGRENKA ACADEMY
INSTITUTE OF NEUROSCIENCE AND PHYSIOLOGY**

Jesper graduated at the University of Gothenburg with a Master of Science in Pharmacy. After a year with combined work as a Pharmacist and as a Research assistant, he decided to follow his passion for Neuroscience by pursuing a PhD at the Department of Pharmacology.
